

The Colorado Open Records Act

The Colorado Open Records Act, (CORA) C.R.S. § 24-72-201 to 206, provides that all public records shall be open for inspection by any person at reasonable times, except as provided in part 2 or as otherwise specifically provided by law. It is the intention of CDOR to apply this Act in a uniform and reliable manner to comply with its provisions. View the CORA Policy.

Records requests or requestors that cite the federal Freedom of Information Act shall be treated as though they were made pursuant to the Colorado Open Records Act. Public records are those writings kept by a State Agency as required by law or administrative rule involving the receipt or expenditure of public funds. See CRS 24-72-202 (6). Costs may be assessed for a records request according to the service.
